

Contents

Part I: Introduction to Management

Chapter 1	Management: An Overview	3-18
Chapter 2	Evolution of Management Thought	19-41
Chapter 3	Social and Ethical Responsibilities of Management	42-66

Part II: Planning

Chapter 4	Fundamentals of Planning	69-90
Chapter 5	Management by Objectives	91-109
Chapter 6	Strategies, Policies and Planning Premises	110-137
Chapter 7	Managerial Decision Making	138-162

Part III: Organizing

Chapter 8	Fundamentals of Organizing	165-185
Chapter 9	Strategic Organization Design	186-217
Chapter 10	Strategic Organization Structure	218-244
Chapter 11	Effective Organizing and Organizational Culture	245-260

Part IV: Staffing

Chapter 12	Human Resource Management and Staffing	263-284
Chapter 13	Performance Appraisal and Career Strategy	285-303
Chapter 14	Organizational Change and Organization Development	304-322

Part V: Leading

Chapter 15	Managing and the Human Factor	325-339
Chapter 16	Motivating Employees for Job Performance	340-357
Chapter 17	Leadership	358-378
Chapter 18	Managing Communications	379-393

Part VI: Controlling

Chapter 19	The Control Function	397-422
Chapter 20	Control Techniques	423-442
Chapter 21	Productivity and Operations Management	443-461
Chapter 22	Management Information Systems	462-477

Part VII: Management: A Global Perspective

Chapter 23	International Management	481-494

Detailed Contents

Part One: Introduction to Management

1. MANAGEMENT: AN OVERVIEW	3
Introduction	4
Definitions of Management	4
The Role of Management	6
Functions of Managers	7
Planning	8
Organizing	8
Staffing	8
Leading	9
Controlling	9
Levels of Management	9
Top-Level Managers	10
Middle-Level Managers	12
First-Level Managers	13
Time Spent in Carrying out Managerial Functions	14
Management Skills and Organizational Hierarchy	14
Technical Skills	14
Human Skills	15
Conceptual and Design Skills	15
Approaches to Management	16
2. EVOLUTION OF MANAGEMENT THOUGHT	19
Introduction	20
Early Approaches to Management	20
Robert Owen: Human Resource Management Pioneer	20
Charles Babbage: Inventor and Management Scientist	22
Andrew Ure and Charles Dupin: Management Education Pioneers	22
Henry Robinson Towne (1844-1924)	22
Classical Approach	23
Scientific Management	23
Administrative Theory	27
Bureaucratic Management	29
Characteristic	30
Description	30
Behavioral Approach	31
Mary Parker Follet: Focusing on Group Influences	31
Elton Mayo: Focusing on Human Relations	31
Abraham Maslow: Focusing on Human Needs	35
Douglas McGregor: Challenging Traditional Assumptions about Employees	35
Chris Argyris: Matching Human and Organizational Development	36
Quantitative Approach	36
Management Science	37
Operations Management	37
Management Information Systems	38

Modern Approaches to Management	38
Systems Theory.....	38
Contingency Theory.....	39
Theory Z	40
3. SOCIAL AND ETHICAL RESPONSIBILITIES MANAGEMENT	42
Introduction	43
Social Responsibilities of Management	43
Arguments for and against Social Responsibilities of Business	46
Arguments for Social Responsibilities of Business	46
Arguments against Social Responsibility of Business	48
Social Stakeholders	49
Shareholders.....	49
Employees.....	49
Customers	49
Creditors and Suppliers.....	50
Society	50
Government	50
Measuring Social Responsiveness	50
What should be Measured?.....	51
How to Measure SR?	57
Managerial Ethics	57
Types of Managerial Ethics	57
Factors that Influence Ethical Behavior.....	59
Ethical Guidelines for Managers.....	64
Mechanisms for Ethical Management.....	64

Part Two: Planning

4. FUNDAMENTALS OF PLANNING	69
Introduction	70
Definitions of Planning	70
Nature of Planning	71
Planning is Goal-oriented	71
Planning is an Intellectual or Rational Process	71
Planning is a Primary Function.....	71
Planning is All-pervasive.....	71
Planning is Forward-looking.....	71
Planning is a Perpetual Process.....	71
Planning is an Integrated Process.....	71
Planning Involves Choice	72
Significance of Planning	72
Focuses Attention on Objectives.....	72
Offsets Uncertainty and Risk	72
Provides Sense of Direction.....	72
Provides Guidelines for Decision-making	72
Increases Organizational Effectiveness.....	73
Provides Efficiency in Operations	73
Ensures Better Coordination	73

Facilitates Control.....	73
Encourages Innovation and Creativity.....	73
Facilitates Delegation.....	73
Types of Plans.....	73
Plans based on Organizational Level.....	73
Plans based on Frequency of Use.....	76
Plans based on Time frame.....	79
Steps in the Planning Process.....	80
Analyzing Opportunities.....	80
Establishing Objectives.....	80
Determining Planning Premises.....	81
Identifying Alternatives.....	82
Evaluating Available Alternatives.....	82
Selecting the Most Appropriate Alternative.....	82
Implementing the Plan.....	83
Reviewing the Plan.....	83
Prerequisites for Effective Planning.....	83
Establishing the Right Climate for Planning.....	83
Clear and Specific Objectives.....	83
Planning Premises.....	85
Initiative at Top Level.....	85
Participation in Planning Process.....	85
Communication of Planning Elements.....	85
Integration of Long-term and Short-term Plans.....	86
An Open Systems Approach.....	86
Management Information System.....	86
Limitations of Planning.....	86
Lack of Accurate Information.....	86
Time Consuming Process.....	86
Expensive.....	86
Inflexibility.....	88
Resistance to Change.....	89
Environmental Constraints.....	89
Lack of Ability and Commitment.....	89
False Sense of Security.....	89
Reluctance to Establish Goals.....	89
5. MANAGEMENT BY OBJECTIVES.....	91
Introduction.....	92
Nature of Objectives.....	92
Hierarchy of Objectives.....	92
The Process of Formulating Objectives and the Organizational Hierarchy.....	92
A Network of Objectives.....	94
Multiplicity of Objectives.....	94
Concepts in MBO.....	95
Early Impetus to MBO.....	96
Emphasis on Performance Appraisal.....	98
Emphasis on Short-term Objectives and Motivation.....	98
Inclusion of Long-range Planning in the MBO Process.....	98
The Systems Approach to MBO.....	98

The Process of MBO	99
Steps in the MBO Process.....	99
Benefits of MBO	102
Better Managing	103
Clarity in Organizational Action.....	103
Encouragement of Personal Commitment	103
Personnel Satisfaction	103
Basis for Organizational Change	103
Development of Effective Controls	103
Limitations of MBO	104
Failure to Teach MBO Philosophy	104
Failure to Give Guidelines to Goal Setters	104
Difficulty in Goal-setting.....	104
Emphasis on Short-term Goals	105
Inflexibility	105
Other Dangers	105
Making MBO Effective	105
Top Management Support.....	105
Training for MBO.....	107
Formulating Clear Objectives	107
Effective Feedback	107
Encouraging Participation.....	107
6. STRATEGIES, POLICIES AND PLANNING PREMISES	110
Nature and Purpose of Strategies and Policies	111
The Key Function: Giving a Direction to Planning	112
The Guide: Furnishing a Framework for Plans.....	112
The Need for Operational Planning: Tactics.....	112
The Effect on all Areas of Management	112
The Three Levels of Strategy	112
Corporate-level Strategy	112
Business-level Strategy.....	116
Functional-level Strategy	116
Strategic Planning	117
Characteristics of Strategic Planning	117
Significance of Strategic Planning	117
Limitations of Strategic Planning	118
Strategic Planning Process	118
Step One: Defining the Mission of the Organization.....	119
Step Two: Drawing up Organizational Objectives	119
Step Three: Assessing Organizational Resources, Risks and Opportunities.....	119
Step Four: Formulating Strategy.....	120
Step Five: Implementing Strategy.....	120
Step six: Monitoring and Adapting Strategic Plans	120
Strategic Planning Vs Operational Planning.....	121
Competitive Analysis in Strategy Formulation	121
Environmental Assessment.....	121
Organizational Assessment.....	123

Major Kinds of Strategies and Policies	126
Growth	126
Finance.....	126
Organization.....	127
Personnel.....	127
Public Relations	127
Products or Services.....	127
Marketing.....	127
Porter’s Competitive Strategies	130
Overall Cost Leadership	130
Differentiation.....	131
Focus.....	131
Strategy Implementation	132
Carrying Out Strategic Plans.....	132
Maintaining Strategic Control.....	133
Effective Implementation of Strategy	134
Communicating Strategies to all Key Decision-making Managers	134
Developing and Communicating Planning Premises	134
Developing an Appropriate Fit Between Organizational Structure and Planning Needs	134
Ensuring that Action Plans Contribute to and Reflect Major Objectives and Strategies.....	134
Developing Contingency Strategies and Programs	135
Reviewing Strategies Regularly.....	135
Continuing to Emphasize Planning and Implementing Strategy.....	135
Creating a Proper Organizational Climate	135
Planning Premises	135
Planning Premises versus Future Expectations	136
Effective Premising.....	136
7. MANAGERIAL DECISION-MAKING	138
Introduction	139
Significance and Limitations of Rational Decision-Making	139
Significance of Rational Decision-making	139
Limitations of Rational decision-making.....	139
Managers as Decision-Makers	140
The Rational Model	140
Non-rational Models	140
Decision-Making Process	141
Identifying the Problem	141
Identifying Resources and Constraints.....	143
Generating Alternative Solutions.....	144
Evaluating Alternatives.....	144
Selecting an Alternative.....	145
Implementing the Decision	145
Monitoring the Decision	146
Types of Managerial Decisions	146
Programmed Decisions	146
Non-programmed Decisions	147

Decision-Making under Certainty, Uncertainty and Risk	148
Decision-making under Certainty	148
Decision-making under Risk.....	148
Decision-making under Uncertainty	148
The Systems Approach to Decision-Making	149
Management Information System	150
Decision Support System	150
Group Decision-making	151
Forms of Group Decision-making	152
Decision-making Techniques	156
Marginal Analysis.....	156
Financial Analysis.....	156
Break-Even Analysis	156
Ratio Analysis.....	157
Operations Research Techniques	158

Part Three: Organizing

8. FUNDAMENTALS OF ORGANIZING	165
Introduction	166
Definitions of Organizing	166
Benefits of Organizing	166
Traditional Perspectives on Organizing	168
Challenges to the Traditional View of Organizations	169
Closed System Vs Open System	171
Closed System View of Organizations	171
Open System View of Organizations.....	172
Formal Vs Informal Organization	176
The Process of Organizing	178
The Logic of Organizing.....	179
Some Misconceptions	179
Bases for Departmentation	179
Departmentation by Simple Numbers	179
Departmentation by Time	181
Departmentation by Process or Equipment.....	182
Choosing the Pattern of Departmentation	183
9. STRATEGIC ORGANIZATION DESIGN	186
Introduction	187
Span of Management	187
Tall Versus Flat Structure	188
Factors Determining an Effective Span	191
Authority Defined	194
Power: Bases of Power	195

Line and Staff Relationships	197
Concept of Line and Staff	197
Functional Authority	199
Line and Staff Conflicts	201
Nature of Line and Staff Relationship	203
Avoidance of Line and Staff Conflict	204
Centralization versus Decentralization	205
History of an Organization.....	208
Availability of Competent Managers	209
Size of the Organization.....	209
Geographical Dispersion.....	209
Technical Complexity of Tasks	210
Time Frame of Decisions.....	210
The Importance of a Decision	210
Planning and Control Procedures.....	210
Views of Subordinates	210
Environmental Influences	211
Delegation of Authority	211
Factors Affecting Delegation of Authority	213
Balance – The Key to Decentralization	215
10. STRATEGIC ORGANIZATION STRUCTURE	218
Introduction	219
Ensuring Understanding of Organization Structure	219
Teaching the Nature of the Organization’s Structure.....	219
Recognizing the Importance of the Informal Organization and the Grapevine	219
Designing Organizational Structures: An Overview	220
Which Comes First – Strategy or Structure?.....	220
Factors Influencing Organization Design	222
Major Structural Alternatives	222
Functional Structure.....	223
Divisional Structure	227
Hybrid Structure	235
Matrix Structure.....	237
Strategic Business Units	241
11. EFFECTIVE ORGANIZING AND ORGANIZATIONAL CULTURE	245
Introduction	246
Prerequisites for Effective Organizing	246
Avoiding Mistakes in Organizing By Planning	246
Planning for the ideal	247
Modification for Human Factor	247
Advantages of Organization Planning	247
Avoiding Organizational Inflexibility	247
Signs of Inflexibility	248
Avoiding Inflexibility through Reorganization.....	248
The Need for Readjustment and Changes	248

Avoiding Conflict by Clarification	249
Organization Charts	249
Position Descriptions	250
Organizational Culture	251
Meaning of Culture	251
The Significance of Corporate Culture	253
Characteristics of Organizational Culture.....	256
Organizational Environment for Entrepreneurship and Intrapreneuring	258

Part Four: Staffing

12. HUMAN RESOURCE MANAGEMENT AND STAFFING	263
Introduction	264
Human resource Management: An Overview	264
Human Resource Planning.....	265
Staffing	271
Training and Development	271
Performance Appraisal.....	271
Compensation	272
Recruitment	272
The Recruitment Process	276
Selection	279
The Selection Process	280
Socialization Process of New Employees	283
13. PERFORMANCE APPRAISAL AND CAREER STRATEGY	285
Introduction	286
Significance of Appraisal	286
Informal Vs Formal Appraisals	287
Informal Appraisal	287
Formal Appraisal	288
Corrective action.....	291
Performance Rating Methods	291
Graphic Rating Method.....	291
Behaviorally Anchored Rating Scale (BARS).....	292
Criteria for Appraising Managers	296
Appraising Managers against Verifiable Objectives.....	296
Appraising Managers as Managers	298
Formulating Career Strategy	299
Preparation of a Personal Profile	299
Development of Long-range Personal and Professional Goals.....	299
Analysis of Environment Threats and Opportunities	301
Analysis of Personal Strengths and Weaknesses	302
Development of Strategic Career Alternatives	302
Consistency Testing and Strategic Choices	302
Development of Short-range Career Objectives and Action Plans	302
Development of Contingency Plans.....	302
Implementation of a Career Plan	302
Monitoring Progress	303

14. ORGANIZATIONAL CHANGE AND ORGANIZATION DEVELOPMENT	304
Introduction	305
Organizational change	305
Factors that lead to Organizational Change	305
Sources of Resistance to Change	306
Measures to Overcome Resistance to Change	307
Change Process	310
Planned Change through Organization Development	313
The Objectives of OD	313
Organizational Development Process	313
Diagnosis	314
Intervention	314
Evaluation	316
Approaches to Manager Development	316
On-the-Job Training	316
Off-the-Job Training	318
Organizational Conflict	319
Sources of Conflict	319
Managing Conflict	320

Part Five: Leading

15. MANAGING AND THE HUMAN FACTOR	325
Introduction	326
The Nature of People	326
Individual Differences	326
The Importance of Personal Dignity	327
Considering the Whole Person	327
Multiplicity of Roles	327
Behavioral Models	327
Edgar H. Schein's Model of the Complex Person	327
Lyman Porter's Model of Human Nature	328
McGregor's Theory X and Theory Y	329
Three Managerial Models by Raymond E. Miles	331
Managerial Creativity	331
The Creative Process	331
Techniques to Enhance Creativity	333
The Creative Manager	334
16. MOTIVATING EMPLOYEES FOR JOB PERFORMANCE	341
Introduction	342
Definitions and Meaning of Motivation	342
Classification of Motivation Theories	343
Content Theories of Motivation	343
Process Theories of Motivation	350

Motivational Techniques	355
Rewards	355
Participation	357
Quality of Work Life (QWL).....	357
Job Enrichment	357
A Systems and Contingency Approach to Motivation	358
17. LEADERSHIP	359
Introduction	360
Definition and Meaning of Leadership	360
Key Elements of Leadership	361
Leadership Theories	364
Trait Theory of Leadership	364
Behavioral Theories	365
Situational or Contingency Theories.....	370
Transformational Leadership Theory.....	377
18. MANAGING COMMUNICATIONS	380
Introduction	381
Definitions of Communication	381
Significance of communication in organizations	381
Communication process	384
Sender	384
Transmission	384
Noise	384
Receiver	385
Feedback	385
Communication Flows in an Organization	385
Downward Communication	386
Upward Communication	386
Crosswise Communication	387
Barriers to Communication	387
Lack of Planning	387
Badly Expressed Messages	387
Faulty Translations	387
Unclear Assumptions	389
Semantic Distortion	389
Loss by Transmission and Poor Retention.....	389
Communication Barriers in the International Environment	389
Inattention and Premature Evaluation.....	389
Impersonal Communication.....	390
Insufficient Adjustment Period	390
Information Overload.....	390
Lack of Trust in the Communicator.....	390
Other Communication Barriers.....	391
Gateways to Effective Communication	392
Interpersonal Trust.....	392
Effective Listening.....	392
Proper Feedback	392
Non-verbal Cues	393
Non-directive Counseling	393

Part Six: Controlling

19. THE CONTROL FUNCTION	397
Introduction	398
Planning and Controlling	398
Importance of Controlling	399
Coping with Uncertainty.....	399
Detecting Irregularities.....	400
Identifying Opportunities.....	401
Handling Complex Situations.....	401
Decentralizing Authority.....	401
Minimizing Costs.....	401
Levels of Control	402
Strategic Control.....	402
Tactical Control.....	402
Operational Control.....	403
Basic Control Process	403
Determining Areas to Control.....	403
Establishing Standards.....	403
Measuring Performance.....	405
Comparing Performance against Standards.....	406
Recognizing Good or Positive Performance.....	407
Taking Corrective Action when Necessary.....	407
Adjusting Standards and Measures when Necessary.....	408
Direct Control vs. Preventive Control	408
Direct Control.....	408
Preventive Control.....	411
Types of Control	415
Controls Based on Timing.....	415
Cybernetic and Noncybernetic Control.....	417
Requirements for Effective Controls	418
Certified Management Audit and Enterprise Self-Audit	419
The Certified Management Audit.....	420
The Enterprise Self-audit.....	420
20. CONTROL TECHNIQUES	423
Introduction	424
Major Control Systems	424
Managerial Level.....	424
Nature of Timing.....	425
Financial Control	427
Financial Statements.....	428
Ratio Analysis.....	433
Budgetary Control	435
Responsibility Centers.....	436
Uses of Responsibility Centers.....	440
Quality Control	440
Quality Circles.....	440
Total Quality Management (TQM).....	441
Inventory Control	441

21. PRODUCTIVITY AND OPERATIONS MANAGEMENT	443
Introduction	444
Production and Productivity	444
Productivity Problems and Measurement	445
Operations Research, Production & Operations Management	446
Operations Management and its Importance.....	447
Operations Research for Planning, Controlling and Improving Productivity	449
Some Operations Research Techniques	452
Linear Programming	452
Inventory Control.....	453
Time-event Networks.....	457
Value Engineering	458
Work Simplification.....	458
Limitations of Operations Research	459
Magnitude of Computation	459
Gap between Managers and Operations Research	460
Lack of Quantification and Involvement of Qualitative Factors.....	460
22. MANAGEMENT INFORMATION SYSTEMS	462
Introduction	463
Management Information	463
Meaning of Information.....	463
Attributes of Information	464
Information Needs of Managers	464
Components of an Information System	465
Hardware.....	466
Software.....	466
People	467
Data.....	467
Procedures.....	467
Types of Information Systems	468
Transaction Processing Systems	468
Office Automation Systems	470
Decision Support Systems	471
Executive Support Systems.....	472
Management Information Systems	473
Evolution of MIS	474
Computers and MIS	475
Advantages of MIS	475
Difference between MIS and DSS	476

Part Seven: Expanding Horizon in Management

23. INTERNATIONAL MANAGEMENT	481
Introduction	482
Reasons for Going International	482
Aggressive and Defensive Reasons	482
Stefan H. Robock and Kenneth Simonds' Six Motives:	484
International Management Functions	484

Planning	484
Organizing	484
Staffing	485
Leading	485
Controlling.....	485
Japanese Management.....	486
Lifetime Employment	486
Seniority System	486
Continuous Training	486
Emphasis on Group Work.....	487
Decision-making	487
Complicated Performance Evaluation.....	487
Father Leadership	487
Good Benefits for Employees	488
Simple and Flexible Organization.....	488
Theory Z	488
Multinational Corporations	492
Orientations toward International Business	492
Advantages of Multinationals	493
Challenges for the Multinationals	494
